Travel & Events Ltd.**

Dear School Party Leader,

You may already know Sports & Corporate Group Travel, in fact we may have arranged a school trip for you in the past as we've been organising school trips and tours successfully for many years.

Arranging your school trip with Sports & Corporate Group Travel couldn't be easier. You've seen some of our featured destinations on our website for end of term school trips 2007/2008. If we've not included your intended attraction for this year, don't worry, we can arrange your trip to any destination, just give us a call on the Freephone number below and we will be more than happy to discuss your requirements and arrange your trip.

It really is as simple as picking up the phone and leaving the rest to us. Alternatively, fill your details in the form below and fax it back to us on 01457 829 757 and we'll contact you directly.
